

Expoterraria 2007 • La Farga, L'Hospitalet (Barcelona) 22–23 September 2007

On 22 and 23 September 2007, the third edition of Expoterraria was held in L'Hospitalet (Barcelona, Spain) — an event that is not to be missed by aficionados of the terrarium hobby in Spain and the rest of southern Europe.

Organized, as in the past, by Reptilia Ediciones, S.L., this year's Expoterraria brought together nearly 7,000 people involved in the

sector — including 106 exhibitors from 12 countries occupying 306 tables. The two contests held at the fair drew substantial participation of high professional and artistic quality.

Due to the great success of the event, the organizers have decided to hold Expoterraria twice a year, in early May and early October, beginning in 2008.
